

CURRICULUM VITAE

RASHMI PRIYA

Ph.D. Candidate in Physics

TIFR Hyderabad, India

Email: rpriya@tifrh.res.in

RESEARCH INTERESTS

Soft and Active Matter, Physics of Glasses and Amorphous Solids, Liquid Crystals, Computational Physics, and Molecular Dynamics Simulation

PUBLICATIONS AND MANUSCRIPTS

- **Inverse Bauschinger Effect in Active Ultrastable Glasses (EDITORS' SUGGESTION)**
Rashmi Priya, Smarajit Karmakar
Physical Review E (2025) <https://doi.org/10.1103/4ws8-1s7j>
- **Tunable yielding and emergent rheology in amorphous solids with active particle doping**
Rashmi Priya, Jürgen Horbach, Smarajit Karmakar
Nature Communications (2026)
arXiv preprint [10.48550/arXiv.2508.06260](https://arxiv.org/abs/10.48550/arXiv.2508.06260)
- **Inverse Bauschinger to Bauschinger Crossover under Steady Shear in Amorphous Solids (EDITORS' SUGGESTION)**
Rashmi Priya, Smarajit Karmakar
Phys. Rev. Materials (2026) <https://doi.org/10.1103/stkn-vhrr>
- **Mechanical Response of Liquid-Crystalline Phases**
Rashmi Priya, Surajit Dhara, Smarajit Karmakar
(manuscript in prep.)

RESEARCH POSITIONS

Visiting Researcher, Heinrich Heine University, Düsseldorf, Germany

Hosted by Prof. Juergen Horbach

April 2023 - June 2023

TALKS AND SEMINARS

- Talk at the Soft Matter Group, Heinrich Heine University (HHU), Düsseldorf, Germany, June 2023.
Hosted by Prof. Juergen Horbach

ACHIEVEMENTS

- Qualified CSIR NET/JRF 2019 with AIR 138
- Qualified CSIR NET/LECTURESHIP 2019 with AIR 79

ACADEMIC QUALIFICATIONS

- **M.SC. IN PHYSICS (2017-2019),**
UNIVERSITY OF DELHI, RAMJAS COLLEGE, NEW DELHI
- **B.SC. (HONS) IN PHYSICS, (2014-2017),**
UNIVERSITY OF DELHI, ACHARYA NARENDRA DEV COLLEGE, NEW DELHI

CONFERENCES AND SCHOOLS ATTENDED

- HydSoft, University Of Hyderabad (2025)
- Physics of Complex Systems, TIFRH Hyderabad (2024)
- Soft and Living Matter: From Fundamental Concepts to New Material Design, ICTS (2023)
- Frontiers in Active and Soft Matter, jointly held by TIFRH and UOH, 2023
- Celebrating the Science of Giorgio Parisi, ICTS (2021)

COMPUTATIONAL SKILLS

- Programming Language: Proficient in C.
- Parallel Computing: Experienced in writing CPU-based parallel codes using MPI (Message Passing Interface) in C.
- LAMMPS
